

我是一位網路賣家，我常常
在網路上賣我用不到的二手物品，
有時候也賣我自己手作的文創小物。

A person is shown from the chest down, sitting at a wooden table and packing a cardboard box. The person's hands are visible, one holding the box and the other using a red and black tape dispenser to seal it. The table is cluttered with various packing materials: several stacks of brown cardboard boxes, rolls of clear packing tape, a roll of white string, crumpled brown paper, and a piece of bubble wrap. A pair of black-handled scissors lies on the table to the right. In the background, a laptop is partially visible on the left, and a potted plant is on the right. The overall lighting is dim, creating a focused and somewhat somber atmosphere.

但每次有人跟我下單，
我最頭痛的就是「出貨」。
