

A blue zippered box is shown in its assembled state on a wooden table. In the foreground, the flat net of the box is laid out, showing the four side panels and the top and bottom flaps. The net is made of a light-colored material with blue piping along the edges. In the background, there are other cardboard boxes, a roll of white tape, and a yellow marker, suggesting a workshop or packaging area.

這些箱子最特別的地方是：
它不需要使用膠帶封箱。

它是以「六塊板子」與「YKK 防水
氣密拉鍊」組成的。
