

A man with dark hair, wearing a light-colored t-shirt, is smiling and resting his hands behind his head. He is surrounded by several blue and white YKKBOX storage boxes. Some boxes are stacked, while others are open, showing various items inside like jars, bags, and small containers. In the foreground, there is a small white printer, a smartphone, and some papers on a wooden surface. The background shows a wooden shelf with more boxes and potted plants.
